

SSEP 2019

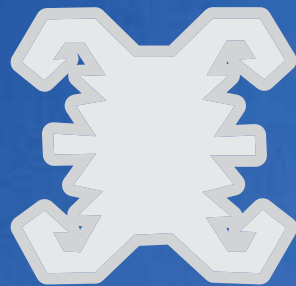

Serbian Society of Emergency Physicians

in partnership with

Center for Emergency Medical Care, Sofia, Bulgaria

5th International Congress

Pirot, 23-25. may 2019.

First Announcement

Dear colleagues and friends

Heading to new successes, new horizons in EM, we invite you to another very interesting, scientific and pleasure event, this time in Pirot, little town in south east of Serbia, that calls itself a gate of east and west.

Still driven by energy and the success of the previous, The First South East European Congress of Emergency and Disaster Medicine, logic continuum of our progress is the SSEP Fifth International Congress, with the motto I WANT IT ALL, emphasizing the growing need for doctors, both emergency medicine and all those who deal with emergency patients, enlarging and perfecting their professional competencies to master new knowledge and technologies, for overall benefit of our patients.

I WANT
IT ALL AND
I WANT IT
NOW

MAIN TOPICS:
